

“Nova Knyha” Publishing House offers access to electronic educational book editions on the **Vilibri platform**

Use the link below or scan the QR-code to access the platform
<https://vilibri.com.ua/>

Getting started on the Vilibri platform

1. Register on the website*. The registration form is located in the Start Session section.
2. Access Personal Cabinet.
3. Add chosen books to a cart from the main website page or from the Book Catalogue.
4. Get the book FOR FREE.

*registration may take some time, check for messages from the Vilibri in your e-mail.

Now the Book is available to you!

It will be stored on the virtual bookshelf – My Books section.

How to use the book?

1. Just read it! You can automatically navigate through chapters according to the CONTENTS
2. Make BOOKMARKS
3. Make NOTES

Your NOTES can be printed or saved in pdf-file. For this purpose, we provide the My Notes section in the Personal Cabinet.

With time the number of books on the Vilibri platform will increase.

Best Wishes for the New Academic Year!

Paper edition of the same books can be purchased on the “Nova Knyha” Publishing House website
